ORDER DOCKETING TARIFFS

(Issued July 2, 2003)

On June 5, 2003, Interstate Power and Light Company (IPL) filed with the Utilities Board (Board) proposed tariffs, identified as TF-03-180 and TF-03-181. The two proposed tariffs revise IPL's alternate energy tariffs. On the same date, IPL also filed a request for partial waiver of 199 IAC 15.11(5), which deals with net metering. The Consumer Advocate Division of the Department of Justice, the Iowa Joint Utility Management Program, Inc., and Kinze Manufacturing Inc. have filed timely objections to the proposed tariffs and waiver request.

In order to allow the Board an opportunity to fully review the objections to both the tariffs and waiver request, the Board will docket the tariffs for further investigation. Any procedural schedule will be set by subsequent order.

IT IS THEREFORE ORDERED:

Tariff filings TF-03-180 and TF-03-181 are docketed for further investigation and suspended.
